### **REPORT ON ANNUAL FIELD MEETING**

This year's annual Joint Field Meeting of the Northeastern Section of Botanical Society of America, the Torrey Botanical Society, and the Philadelphia Botanical Club took place in Adams County, Ohio. Housing was at the Rodeway Inn in Seaman; evening dinners and lectures were at the Seaman Community Center. Habitats visited included mesophytic forests and relict prairie formations. Specific sites included Fort Hill State Park, Davis Memorial Nature Preserve, Shawnee State Forest, the Edge of Appalachia Preserve System, the Chapparral and Adams Lake Prairies, and several roadside stops. Field trip leaders included Jim McCormac, Peter Whan, Rick Gardner, and David Kuehner. Evening programs were given by Guy Denny, Peter Whan, Jim McCormac, and Jerry Baskin. The field meeting was chaired by Dr. Victor Soukup; the Treasurer was Karl Anderson. There were 40 participants. Next year's meeting is scheduled for Long Island, NY.

Respectfully submitted,

Karl Anderson, Treasurer
