

2005 Annual Report
BSA Systematics Section

Wayne J. Elisens, chair; Andrea D. Wolfe, Secretary-Treasurer 3 August 2005

The BSA Systematics Section supported two symposia associated with the Botany 2005 conference during the 2005 fiscal year.

Financial Support of two symposia. The Systematics section supported two symposia for the Botany 2005 conference:

- 1) \$ 500 for “*Comparative Chloroplast Genomics.*” Organizers: Robert Jansen and Linda Raubeson.
- 2) \$ 500 for “*Patterns and Mechanisms of Evolution of Island Plants.*” Organizer: Kaius Helenurm.

Other activities included discussions on how BSA Systematics section funds could be dispersed to further support conference programming, student participation at meetings, and other development initiatives.

Respectfully submitted,
Wayne J. Elisens
