

Call for Applications
Developmental & Structural Section
Student Travel Award
Botanical Society of America
BOTANY 2006, Chico, California

The Developmental and Structural Section of the Botanical Society of America is pleased to announce student travel awards available to undergraduate and graduate students who will attend the Botany 2006 Conference to be held in Chico, California, July 28 - August 2. Although the presentation of a paper or poster at Botany 2006 is not a requirement, students who are presenting in a session sponsored by the Developmental and Structural Section will be given the highest priority. Applicants should submit the following materials to the Botanical Society of America (address provided below) by May 1, 2006:

- 1) Cover Page: Complete and sign the attached Cover Page.
- 2) Personal Statement: In a one to two page statement, please describe your:
 - a) Interest in Developmental & Structural Botany
 - b) Interest/reasons for wanting to attend and/or participate in the Botany 2006 conference
 - c) Career goals
 - d) Summary of any research experiences to date.

EMAIL all completed application documents in .PDF form to:
Subject Line: **Developmental & Structural STA**
EMAIL: **bsa-manager@botany.org**

DEADLINE: Applications must be received no later than May 1, 2006.
