

Science for Parks, Parks for Science: The Next Century - March 25-27, 2015

Contributed by admin on May 29, 2015 - 06:08 PM

A 2.5-day Summit at UC Berkeley **March 25-27, 2015** convening natural and social scientists, managers and practitioners -- 100 years after historic meetings at UC Berkeley helped launch the National Park Service -- to rededicate a second century of science and stewardship for national parks. This summit will feature visionary plenary lectures, strategic panel discussions on current controversies, and technical sessions of contributed papers and posters.

A 2.5-day Summit at UC Berkeley **March 25-27, 2015** convening natural and social scientists, managers and practitioners -- 100 years after historic meetings at UC Berkeley helped launch the National Park Service -- to rededicate a second century of science and stewardship for national parks. This summit will feature visionary plenary lectures, strategic panel discussions on current controversies, and technical sessions of contributed papers and posters.

Abstract submission deadline is 1 November 2014. For information, see <http://www.xcdsystem.com/parksforscience>.
